PATRICK MINT TOKEN OBVERSES

YOUR AD VERTISING ON THE BACK! 650.00 FOR 1,000 PIECES

STRUCK IN COPPER COATED ZINC - 1 1/16" DIAMETER

OBVERSE OF YOUR CHOICE REVERSE YOUR NAME & ADVERTISING!

THE PATRICK MINT will create 1,000 tokens with your name, address, phone number and collecting or business specialty on them for \$650.00 postpaid. Simply send us the text you would like to appear on your token, select one of the above obverses and send it along with a check for \$650.00. We will immediately prepare a layout of your information and send it to you for your approval before we begin minting. Any layout or design you suggest will be followed as closely as possible. Special fonts, ornaments and arrangements can greatly improve the artistry of your tokens and can generally be accomodated for a modest additional charge. All tokens are struck on high quality copper coated zinc blanks which are 1 1/16 inches in diameter (27mm, broader than a Sacajawea dollar) and almost 1/10 inch thick. All dies remain the property of The Patrick Mint but will be for your use only. No tokens will be struck from your die without your permission. All orders are custom made and there can be no cancellation or return of merchandise without permission. We produce the finest tokens in the United States and they are great for advertising. In addition, they will last 2,000 years, you control the entire mintage and they are tax deductible for businesses.

PLEASE NOTE: Nickel, Brass, Pure Silver and Goldine Plating (looks like gold!) are available for an additional \$350.00 per order. Tokens may also be struck in 1/4 ounce .999 fine silver in addition to 14K, 22K and pure gold. Denticles are an additional \$50.00. Inquiries for larger quantities, special projects and needs are invited.
